

PLENTY OF HAY IN
SOUTHWEST MISSOURI

Kansas City, Oct. 23.—R. P. Timmons, a big land owner of southwest Missouri, was here today buying cattle. Mr. Timmons reports that the crop of hay in his part of the state could hardly be better. Clover is plentiful in my section, he says, and after the crop had been harvested the stubble field afforded an excellent pasture for stock. Thus far very little hay from this part of the state has been marketed.

A. G. Henbest and family left Thursday morning, for their new home at Fayetteville, Ark. They bought a farm within a half mile of the city limits. The farm is a good one with good improvements. Mr. Henbest is moving to Fayetteville in order that his children may have the benefit of the University without leaving home. The family was prominent in all good work in their community and their many friends regret to see them leave.

SURGEONS agree that in cases of Cuts, Burns, Bruises and Wounds, the FIRST TREATMENT is most important. NOTICE TO ADVERTISERS

As darkness will come sooner after the time changes, we will wish to get the daily paper out earlier so the delivery boys can make their rounds by daylight. We ask our advertisers to get small advertisements to the office the day before they are printed and that they give us more time on large advertisements. Announcements and news items should also reach this office earlier, before noon when possible. We cannot insure the insertion of anything that comes in after noon. Advertising for the Weekly Times should reach this office the first of the week as the first run is made on Tuesday and the last one at noon Thursday.

HUSBAND AND WIFE SUCCESS
FULLY TREATED FOR CANCER

Carthage, Mo., Couple Report Cure After Kansas City Specialist Treats Them.

In a recent communication Mr. and Mrs. J. W. Haworth, East Highland Ave., Carthage, Mo., state:

"I certainly esteem it a privilege to endorse your cancer cure, since both myself and Mr. Haworth were cured. I can say that I had a cancer on my nose for five years, but it did not give me serious trouble until the last year. My husband's cancer was in his left temple. It came from a birth mark. You also cured him of a bad rectal trouble.

"Several of my friends advised me to go to one of our town doctors, who had an X-ray, and let him take it out, but I said no. I am going to Dr. Johnson and have it taken out right. I am proud to say that after three weeks' treatment I was well, and both myself and husband returned home May 23, 1915, cured of cancer.

"I would advise anyone suffering from cancer not to delay, but go to Dr. Johnson promptly and get cured."

Dr. Johnson has published a remarkable book called "Cancer Truths," a statement of his theories and experiences in treating cancer without the use of the knife. Purely medical measures only are employed; that is external applications to destroy the cancer and internal medication to purify the blood. This book will be sent free to any cancer sufferer. Or, if you have a friend suffering from cancer, write to Dr. O. A. Johnson, Suit 524, 1324 Main St., Kansas City, Mo. d&wt1

CHESTERFIELDS never default. Stack 'em up against any other cigarette, and see how they hit the spot, every time. The right stuff, put together right; that's the reason—

They Satisfy

Skinny is buying the "hot dogs" for the crowd; he's pretty happy; he's put on 15 extra pounds during the summer and thinks he has the job of "center" cinched on the foot ball team.

Another reason for his "loosening up" is the fact that he has a suit that really fits him—so stylish the crowd

has all commented on it—makes any boy feel good.

He's wearing a Hart Schaffner & Marx "Prep" Suit and Overcoat.

They're made especially for first-long-trouser boys; they have all the smartest style touches; belts, yokes, plaits but they're designed to fit the more immature figure of boys
